3D Systems to Present at the Sidoti and Company New York Conference

ROCK HILL, South Carolina –November 3, 2011 – [3D Systems](http://www.3dsystems.com) Corporation (NYSE:DDD) today announced that it plans to present at the 4th annual Sidoti and Company New York Conference on Thursday, November 10, 2011 at 8:40 AM EST at The Grand Hyatt Hotel in New York, NY. Damon Gregoire, Senior Vice President and Chief Financial Officer will update investors on the operational and strategic progress the company is making.

Investors are welcomed to attend the presentation in person. To register for this event please contact Stacey Witten at (803) 326-4010 or via email at wittens@3dsystems.com.

About 3D Systems Corporation

3D Systems is a leading provider of 3D content-to-print solutions including 3D printers, print materials and on-demand custom parts services for professionals and consumers alike. The company also provides creative content development, design productivity tools and curation services and downloads. Its expertly integrated solutions replace, displace and complement traditional methods and reduce the time and cost of designing new products by printing real parts directly from digital input. These solutions are used to rapidly design, communicate, prototype and produce functional parts, empowering its customers to create with confidence.

More information on the company is available at www.3DSystems.com.
